## Are The Unvaccinated To Blame? - Pt. 2

### Who is to Blame?

Ex. 12:38; Nu. 11:4

“And a **mixed multitude** went up also with them; and flocks, and herds, even very much cattle.” “And the **mixed multitude** that was among them fell a lusting: and the children of Israel also wept again, and said, who shall give us flesh to eat?”

### The Mixed Multitude Within Israel

- . The **mixed multitude** influenced the Israelites into lusting (Nu. 11:4).
- . The **mixed multitude** influenced the Israelites into lasciviousness (Dt. 7:3-4).
- . The **mixed multitude** influenced the Israelites into idolatry (Ex. 32:23; Nu. 23:1-10).

(Before the Holocaust Jews became more German than Jews)

“That ye come not among these nations, these that remain among you; neither make mention of the name of their gods, nor cause to swear by them, nor bow yourselves unto them. But cleave unto the LORD your God, as ye have done unto this day.” Joshua 23:6-8

### The Mixed Multitude Within Our Nation

A look at Mexico’s Strict Immigration Laws:

“Foreigners may be barred from the country if their presence upsets “the equilibrium of the national demographics.” When foreigners are deemed detrimental to “economic or national interest ...” Mexico has a radical idea for a rational immigration policy that most Americans would love. However, Mexican officials haven’t been sharing with us as they press for our Congress to adopt the McCain-Kennedy immigration reform bill.

- . Mexico annually deports more illegal aliens than the United States.
- . It is a felony to be an illegal alien in Mexico.
- . Visitors and immigrants must be in Mexico illegally.
- . Visitors and immigrants must be able to sustain themselves economically.
- . Visitors and immigrants must not be a burden on society.
- . Visitors and immigrants must be of good character and have no criminal records.
- . Visitors and immigrants must be able to contribute to the general well-being of the nation.
- . Foreigners who are deported from Mexico and attempt to re-enter the country without authorization can be imprisoned for up to ten years.
- . A Mexican who marries a foreigner with the sole objective of helping the foreigner live in the country is subject to up to five years in prison.

NONE Dare Call It Treason

Cicero

“A nation can survive its fools and even the ambitious. But it cannot survive treason from within.”

## President Biden's Refugee Admissions - March thru October 2021

. Africa	-	22,000
. Near East/South Asia	-	13,000
. Unallocated Reserve	-	12,500
. East Asia	-	6,000
. Latin America/Caribbean	-	5,000
. Europe and Central Asia	-	4,000
<b>TOTAL</b>		<b>62,500</b>

Source: U.S. Department of State, Bureau of Population, Refugees, and Migration, "Refugee Admissions Report as of July 31, 2021." The Trump administration set a limit at **15,000** for legal immigrants. The Biden administration raised it to **62,500**. However, since March 2021 and October 2021 around **160,000** illegal immigrants have been released into the United States with "Notices to Report," meaning they are required to check in with an Immigrations and Customs Enforcement officer when they reach their final destination. Another **32,000** illegal immigrants have been released into the United States since August and placed on parole, which gives them a limited status to remain in the country and makes them eligible for work permits. In the fiscal year of 2021 **two million** entered through our open borders illegally. Currently, twenty million illegals live within the United States. Today, **200,000** are entering per month. **Let's call Mexico's bluff on its unwarranted interference in U.S. immigration policy. Let's propose, just to make a point, that the North American Free Trade Agreement (NAFTA) member nations standardize their immigration laws by using Mexico's own laws as a model. Let's use it as our own policy!**

### \$64,000 Question

When President Biden was asked the question; "In light of the extreme emergency, why not take extreme measures to keep the American people safe and vet all immigrants entering the country?" "When people are fleeing persecution, it seems racist in sending them back." I guess that doesn't include the Haitians fleeing political and religious persecution. It's not racist Mr. Biden, it's prudent! Without an extreme vetting process at all borders, vetting only the American people is useless. "A little leaven leavens the whole lump" (Gal. 5:9).

### The Mixed Multitude Within The Church

The government and the media has completely ruled out Natural-Immunity because that raises the question of God, the Bible and prayer which they consider to be out of touch with science. With the many doctrines that separate evangelicals, why are more professing Christians in league with Dr. Anthony Fauci than our Great Physician? He still "heals all manner of sickness and all manner of disease" (Mt. 4:23). Have we given up on James 5:14-16? Why do many of us call for the doctor before we call for the elders of the church? Even before COVID-19 swept the nation, weekly attendance had dipped in the average church to 25% of normality. Today 25% of churches have closed for good. The apostle Paul ask; "Who shall separate us from the love of Christ?" Some professing Christians shout "COVID-19"!
