Haiti: A Long Decent Into Hell

Guns, Gangs, Drugs, Sex Traffic, Political Anarchy & Foreign Rip-offs:

On January 12, 2010, the Caribbean nation of Haiti experienced a devastating earthquake, which took more than 100,000 lives and left 200,000 plus injured and 900,000 plus homeless – about 10 percent of the country's population. It was one of the Western hemisphere's greatest natural disasters, and nations like the United States rushed to the aid of Haiti – one of the world's poorest nations – to help the citizens recover and rebuild.

Enter Bill And Hillary Clinton:

The Obama administration, working via Secretary of State Hillary Clinton, appointed former presidents Bill Clinton and George W. Bush coordinators of U.S. relief efforts. Bill Clinton specifically was put in charge of billions of dollars that flowed from the U.S. and other nations to Haiti. To date, the U.S. alone has given over \$3.1 billion via its United States Agency for International Development (USAID) organization – which works out to more than \$300 for each Haitian citizen. The former president of the Haitian Senate, Bernard Sansaricq, issued a statement blasting the Clintons and the Clinton Foundation. It reads: "Sadly, when the earthquake rocked the nation of Haiti in 2010, corruption moved in faster than the help so desperately needed. Today, the people of Haiti are still suffering despite the billions of dollars that have flowed into the Clinton Foundation. The Clintons exploited this terrible disaster to steal billions of dollars from the sick and starving people of Haiti. The world trusted the Clintons to help the Haitian people during their most desperate time of need and they were deceived.

Who Benefited From This Aid?

Perhaps unsurprisingly, almost no Haitians. Almost none of the money given in aid ended up going to the people who need it the most – instead it went to foreign governments, private companies and non-governmental organizations (NGOs) such as the Red Cross. The Red Cross alone took in as much as \$486 million for relief efforts yet ended up building a mere six homes in its relief efforts, as a recent audit of that organization's effort discovered. (It should be noted that the CEO of the Red Cross, at the time, was Gail McGovern, received a salary of more than \$1,000,000 per year. The U.S. Ambassador to Haiti at the time, Kenneth Merten, sent a cable to Hillary Clinton's State Department entitled, "The Gold Rush Is On." Out of the nearly 1500 contracts, just 23 were awarded to Haitian companies – nearly 40 percent of the contracts were awarded to companies in the Washington, D.C. area.

Beware When Sending Gifts To Haiti:

Reliable sources are: Franklin Graham's "Samaritan's Purse and Christian Aid Ministries" and Raoul Liberis' "Caribbean Fellowship Ministries." We thank the Lord for the late Curtis Holmes who served for 14 years in Haiti and started "Boys Brigade." Pray for his wife Mavis. Bob Herriman did crusades in Haiti in 1986 – 1987.

Alison Lorkowski

September 12, 1961 – January 12, 2022

Alison's Commission

“I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing: therefore choose life, that both thou and **thy seed may live**” (Dt. 30:19).

“Also I heard the voice of the Lord, saying: **Whom shall I send**, and who will go for us? Then said I, **Here am I send me**” (Isaiah 6:8).

Alison (baby saver) Lorkowski:

Alison heeded a special commission from God to use her talent to save countless of babies in the womb. Only eternity will fully reveal how many babies were not only allowed to live in this life, but in the next one because Alison said: “Here am I send me.” Alison loved her Lord and Savior Jesus Christ. She was a native Detroitter and the founder and president of VOTE BIBLICALLY. Her three children (Morgan, Alana and Chad) knew they were loved unconditionally. She was passionately committed to God, Liberty, Truth and “The Sanctity of Life,” especially the life of the unborn. I was honored to join with many others on February 19, 2022 in celebrating such a committed, dedicated life.

Born:

- . According to the UN about 385,000 babies are born each day.
- . There are more than 140 million babies born per year.
- . A baby is born every 20 seconds.

Aborted:

- . There are 2,363 babies aborted per day in the world.
- . There are 276 babies 2nd & 3rd trimester being aborted each day.
- . There is an estimate 73 million abortions world-wide each year.
- . There are 1,000 babies aborted by Planned Parenthood per day.
- . There have been 63 million babies aborted since the 1973 Roe v Wade Supreme Court decision.

Alison Lorkowski's goal was to put God's will and biblical principles first in the minds and hearts of the electorate. Her mission was to gain national distribution of The Sanctity of Life booklet challenging the body of Christ to be equipped to speak out and be a part of a spiritual and cultural transformation.
