Beware Of Evil Reporting - 1

Proverbs 12:17

**“An Honest Witness Tells The Truth, But A False Witness Tells Lies.”**

**The New York Times:**

*(“All The News Fit To Print”)*

The New York Times is the **“godfather of fake news”** that has been “deliberately and radically altering history” for over a century, the author of an explosive new book on the newspaper told Breitbart in an exclusive interview.

**The New York Times:**

*(“The paper of record”)*

**Ashley Rindsberg is an American novelist, media commentator, essayist and Journalist based in Israel. Rindsberg’s recent book, *The Gray Lady Winked*, is an examination of how the New York Times newspaper’s misreporting shapes history. “When I first wrote the book 15 years ago, I naively assumed that people would be eager to uncover these truths about the Times,” Rindsberg said. “But, again and again, powerful figures in publishing and media slammed the door on this book – in some cases, while telling me how important and valuable they found it. They were simply too afraid of crossing the Times.”**

**The Times Manipulates What We Think Is News:**

*(A Truth-Producing Machine)*

“My research churned up not mere errors or in accuracies but whole – cloth falsehoods. The “fabrications and distortions” he found in the Times’ coverage of major stories from Hitler’s Germany and Stalin’s Russia to Vietnam and the Iraq War “were never the product of simple errors,” Rindsberg contends. “Rather, they were the by product of a particular kind of system, a truth-producing machine” constructed to twist facts into a pattern of the Times’ own choosing. The Nation’s premier media outlet manipulates what we think is the news.” Rindsberg argues that Times reporters have followed the same playbook since the 1920S.

**THE NEW YORK TIMES: ALL THE NEWS FIT TO DECEIVE!**

**THE HOLY SCRIPTURES: ALL THE NEWS FIT TO RECEIVE!**

## **The Times Covered-Up The Holocaust:**

*(The Gray Lady Winked)*

The news of Nazi atrocities against the Jews was often buried in the back pages. The Times consistently placed major stories about the Nazi treatment of European Jews “by the soap and shoe polish ads.” The story of the Holocaust made the Times front page just **26** Times, and only in 6 of those stories were Jews identified on the front as the primary victims. How could you possibly tell the story of the “Warsaw Ghetto Uprising” without mentioning Jews? But the Times did, describing how **500,000** persons ... were herded into less than **7%** of Warsaw’s building, and how **400,000** persons were deported to their deaths at Treblinka.”

## **The Times And The Infamous 1619 Project:**

*(An Attempt to Change History)*

Far from being a historical trend, however, Rindsberg explains that these lying patterns are still at work. He points to the now infamous 1619 Project, whose many serious errors – such as false claims that Abraham Lincoln was a racist and that the American Revolution was fought to preserve slavery – have been slammed by critics on both the left and the right. The aim of the 1619 Project is to change history, which is what explains the many so-called errors the Project has made, “Rindsberg says, “They’re not errors at all. The distortions are the point. After all, if you want to change history you literally have to change it.”

## **The Times Copied “Fake News” After Hitler:**

*(The Mystery of Iniquity)*

On October 16, 1919, Adolf Hitler became a propagandist. It would be his chief occupation for the rest of his life. Without propaganda, he could never have become a public figure, let alone risen to power. It was as a propagandist that he made the Second World War possible, and defined Jewish people as Germany’s foe. The Mystery of Iniquity spins in many unexplained directions. But, how could an American Jewish newspaper of record be manipulated by a blatantly, demonically, infected Anti-Semite? The apostle Paul in Romans 11:25 and Second Thessalonians 2:7 states: “That blindness in part is happened to Israel, until the fullness of the Gentiles become.” “The mystery of iniquity does already work: only He who now allows it, will allow it, until He is taken out of the way.” This is one mystery question that only God will one day fully explain.

## **Equality:**

- 1. Equality of outcome is Communism.**
- 2. Equality of opportunity is American.**

**“WHOSOEVER SHALL CALL UPON THE NAME OF THE LORD SHALL BE SAVED” - Romans 10:13.**
