"Happy Father's Day"

Author Unknown:

You never said I'm leaving
You never said goodbye
You were gone before I knew it,
And only God knew the reason why

A million times I needed you,
A millions times I cried
If love alone could have saved you,
You never would have died

In life I loved you dearly
In death I love you still
In my heart you hold a place,
That no one could ever fill

It broke my heart to lose you,
But you didn't go alone
For part of me went with you,
The day God took you home.

"America and Israel: The two nations most hated because they exist"

Dennis Prager

Extermination:

"The question for the America-hater, just as for the Jew hater, has been: How do we destroy them? What has been always rendered anti-Semitism unique among ethnic and religious hatreds was its goal of **extermination**. No other ethnic bigotry is extermination. Regarding America, the left does not seek to exterminate Americas: the idea is ludicrous, since most of those on the left who loathe America are themselves American. What the left does very well is to seek to destroy American as we have known it – the capitalist and Judeo-Christian enclave of personal freedom. There is, therefore, nothing Israel can do that would satisfy its enemies except agree to destroy itself as the one Jewish state in the world. There is room in the world for 22 Arab countries and for more than 50 Muslim countries, but there is no room for one Jewish state, even one the size of New Jersey and smaller than El Salvador."

Capitalism:

“American-hatred and modern Jew-hatred is the hatred of capitalism. The Nazis hated America and the Jews, both of whom they identified with capitalism. The left hates America, which it regards as the paragon of capitalism. By becoming the most successful country in history, America is the quintessential capitalist country, and remains a living rebuke to everything the left stands for. If America can be destroyed, every left-wing egalitarian dream can be realized.”

The Bible-Irrelevant?

“American-haters and Jew-haters resent the enormous influence both nations have had on the world. They have contempt for their beliefs (Jewish) in being the Chosen and dismiss the Bible as irrelevant and even malevolent. The Jews created changed the world by introducing into the world the Hebrew Bible, a universal and judging God, the Ten Commandments, the rejection of the heart as the guide to behavior, the emphasis on justice (not “social justice”) and the doctrine of Jewish Chosenness. They remain forever hated for this. So, too, is America hated for placing the Bible at the center of its value system.”

America & Slavery:

“Of the more than 12 million Africans shipped to the Western Hemisphere, only about 3 percent – between 306,000 and 380,000 were sent to the United States. The other 97 percent were sent to the Caribbean and Brazil. And the slaves in the U. S. South lived longer and made larger families than slaves of Latin America. Yet, the U.S. is singled out for hatred. Why? Because the Left doesn’t resent Brazil. Brazil is not an object of envy.”

The Arab World & Slavery:

“There is no left-wing hatred of the Arab world, which enslaved far more blacks than the North and South Americas combined. The internationally recognized expert on African history. Senegalese anthropologist Tidiane N’Diaye, wrote: “Most people still have the so-called Transatlantic (slave) trade by Europeans into the New World in mind. But in reality the Arab-Muslim slavery was much greater. ... The Arab Muslims were the most murderous of all those involved in the slave trade.” Part of that murderous treatment of African slaves involved castrating the males so they could not reproduce. And the women and girls were traded as sex slaves. Where is the leftist anger at the Arab and Muslim world? There is, of course, none. On the contrary, the left protects the Muslim and Arab world against moral criticism.”
